Principal’s Report

Nationally consistent collection of data on school students with disability – 2014

Our school is participating in the collection of nationally consistent data on school students with disability. We will be collecting information already available in the school about the support that is being provided to students with disability. Better data will help the Government plan for students with disability. The data collection will have no direct impact on your child and they will not be involved in any testing process.

The NSW Department of Education and Communities will provide data to the Australian Government from all NSW public schools in such a way that no individual student or school will be able to be identified. In this way, we will ensure the privacy and confidentiality of all students. All information is protected by privacy laws which regulate the collection, storage and disclosure of personal information. Information about the Australian Government’s Privacy Policy can be found here: http://education.gov.au/condensed-privacy-policy. Information about the NSW Government’s privacy policies can be found here: http://www.ipc.nsw.gov.au/

If you do not want your child to be counted in the data collection you must complete the note included in this newsletter and return it to the school before the end of Term 2, 2014. A decision to exclude your child will not affect the support they currently receive.

If you have any questions about your child being included in the data collection please contact Ben Barker, AP.

Last Friday, Mrs Woolfe, Mr Nobbs and I spent the day with 46 of our students at the 2014 GRIP (Generosity, Responsibility, Integrity, People) Leadership Conference at Tweed Heads. The students learned about the different roles of a leader, ways to demonstrate integrity, how to set goals and the 5 steps for bringing ideas alive. They also learned about the difference between being like a watermelon and a strawberry. I was really impressed with how our students involved themselves in the activities, and how respectful and sensible they were. They were great leaders and great ambassadors for our school.

Our School Captains will be explaining the difference between being a watermelon and a strawberry at Assembly tomorrow- come along and find out what this means!
